The pouch sits comfortably on any Makita tool belt or normal clothing belt.

Pouch shape has been designed to keep it vertical to prevent spillage of fixings, even when the pouch is full.

Side-Gate stainless steel metal tool holder swings to keep your hammer at a comfortable angle. New solution with side gate lets you easily put the tool in without looking at the holder.

Screwdriver holders made from real leather provide convenient storage. Necessary equipment is close without coming off the roof or down from the ladder.

Measuring tape clip holds any common builder's tape measure from 3-10 meters.

Features a leather-lined interior, that will put up with years of wear and tear from big roofing screws, nails and other sharp fixings.

Knife slot made from real leather holds any common utility knives so it is always handy when is necessary.

Designed to meet the specific needs of roofers.
