

SOLID LINE

Feel the Difference

TELESTEPS 

No.1 in telescopic work tools

MANY ADVANTAGES

SIMPLE

We have always been convinced that the best platform is both big and small. The telescopic platform is easy to adjust to the desired height and securing it before use is just as easy.

FLEXIBLE

The platform can be adjusted to the optimal height to fit your needs. It is small and compact for storage and transportation and with the telescopic function the platform is perfect in small spaces.

QUALITY & SAFETY

Telesteps does not compromise on anything. The products are certified according to leading norms - EN 131, SP - and more. For more info on Telesteps safety work visit www.telesteps.com

DESIGN

Simple locking system. Wide steps for a safer experience. Built-in handle for easy carrying. Designed for tough work environments.

Solid Platform - The Steadiest Surface Since The Ground.
